SEX SECRET REVEALED!

HOLY SHIT!
3 Times in One Night?!

"His cock was so completely HARD & BIG. And his staying power was INSANE."

SECRET "Sex Serum" Exposed!

Are you the type of guy that women brag about - THAT "One Guy", the one that "rocked her world"? Now be honest, is that guy you? If not, I may have the secret answer that's been apparently keeping the "industry" guys at the top of their game for years. Check out this letter I received (from a chick none the less).

To the Editor: I don't usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I've only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let's just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I've been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the "champ", I mean he performed sexually like a pro! So between the size of this guy's unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return "favors" he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his "secret sexual serum", better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he'd never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to "recover" faster and do it more often (I'll say!). He even said that ALL male stars he knew in the industry use it – "What do you think, we have the super human ability to fuck like that naturally?"

So next time you think that these "super" studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I'll never let any man that I'm with have sex without it again .

OFF MY CHEST

Editor's Notes

Boobs away! It's getting warmer, the birds are singing and there are boobs everywhere. Life is good! Is this months covergirl Mia Starr fucking hot or what? I hate to age myself, but she reminds me of a late 60's era Raquel Welch, the one that escorted me through puberty. I ran Mia a few months back, but felt, even then, that she deserved a cover. Well, I'm sure you'll agree, she's made a great covergirl. I feel puberty coming on again! New-cummer Autumn Breeze shows you how to move around a cock. She seems to be quite a pro. Harmony Bliss is returning to Gent after quite a long break, looking bustier and better than ever. We spent time with her in Vegas during the AVNs, and she is one of the sweetest girls in the industry. Great tits too! Speaking of great tits; Lana Del Amore is sporting quite a fine pair. Claire LaFemme is one of the horniest bitches I have ever seen, and that's really saying something. She slurping and riding a thick slab of beef here and loving every minute of it. I've told you before that Nikki Jackson is one of my favorites. The only thing hotter than Nikki solo is Nikki trading slit slurps with another girl. The other girl in this case happens to be past Gent model Staci Lyxx, and lick they do. The first time I met Lori Pleasure was at a party a couple years ago. She walked in wearing a royal blue corset that left her electrical taped nipples fully exposed and super high heels, that put her well over 6 feet tall. Oh, I almost forgot the best part. At one point during the party, she was on her knees sucking the cock of one of the hosts and then swallowing his load. I've been inviting her to all my parties ever since. Kristina is a hot Latina with nice boobs and a no-nonsense attitude. If you like big saggy naturals, then you're gonna spank a few out to Kristy. She is a true 3-hole gal who gets put through her slutty little paces. Marsha Mellons is this month's classic, who hails from the "glory days" of implants. Rounding out our collection of overly-busty babes is the always horny Stephanie Stalls, who innocently wanders into a public bathroom and is happily confronted by a throbbing stalker. What begins as surprise soon turns to passion and she happily takes his dick on a personal guided tour of her body. We just returned from AVN's Adult Entertainment Expo in Las Vegas and have extended coverage in Rhiannon's Breast of Times and The News Rack. Amber FoXXX confronts a huge black cock in FoXXX on the Run. Sara Jay stars in Confessions of a Big Tit Porn Slut. That gives you some idea of what we have for you this month, but until you actually peruse the pages, words just don't do these Breast Goddesses justice. Rock on! And remember... It's All About The Boobs!

TALE OF TWO TITTIES...

THE BOOBY PRIZE

Dear Mr. Fury,

I am 34 years old and have been obsessed with big tits as long as I can remember. I will not date girls that do not have at least a DD-cup or bigger. I have been told I am a good-looking guy and I know what gets me hard. I am a great lay when the chick meets my criteria. My friends think I am too picky because I meet so many girls yet never take them home unless they are stacked. Honestly, I'd rather jerk off then be with a bitch that doesn't get me hard. It's both time and cost effective for me to whack it myself. Don't get me wrong. I have no problem spending lots of money on the busty babes. In fact, I cater to the girl's every whim. My main reason for writing you is to ask you if you think I am fucked up being so selective because I will not even look at a chick twice if she is not big boobed. When someone says to me, "But she has a great personality," I always know what that means. She is definitely NOT for me. Hey, I think chicks often judge us by our cock size but, lucky for us guys we don't have to get all intimate to find out they don't have any tits. BTW, I love GENT because I would have no problem sticking my dick in any one of your models. You lucky bastard!

Bobby Wortmann
Willowbrook, IL

Dear Bobby,

I've based my life around boob size. I see nothing wrong with your criteria. I know several guys that will only date blondes, women with big butts, younger girls, older women, etc. Hell, women do the same thing with bank accounts, cars, looks, etc. For men, attraction is always based initially on the visual. My philosophy has always been; if I don't want to get in a chick's shirt/pants, why would I want to even talk to her? Hang in there Bobby, there are lots of great racks out there looking for a guy to appreciate their ample assets. Just keep your eye on the booby prize.

GENT WANTS YOU

Dear Editor,

My girlfriend has a great set of tits. I always tell her she should be in magazines. I know she would be perfect for Gent. What do I have to do to get her in? Thanks,

Brian

Dear Brian,

If she is busty it is very simple. All you need to do is send me a full frontal nude picture of her for review. As you know, Gent is always looking for fresh new talent. Please send all submissions to: fury@antonfury.com or mail a hard copy to: Gent Magazine, 210 Rt. 4 east, Suite 211, Paramus, NJ 07652 Thank you for your interest,

ble models at the various events. I made it to Nudes A Poppin', The Gentlemens Expo and the AVN's. Of course, I did not mind waiting my turn to get through the crowd that surrounded your busty beauties. I would have waited days for just a glimpse. But I got so much more than a glimpse. I took pictures with most of the Gent models that were attending and even got to pose with Rhiannon, while I held her breasts. What a thrill for me! I will cherish these pictures forever! Your girls are so friendly. They look as incredible in person as they do in print. It is nice to know that your models are accessible and approachable. I was really impressed with them. I save my vacation days just so I can attend the events where Gent appears. I would travel the world for Gent. You can count on me to be wherever Gent is.
Your Loyal Fan,
Eric, York, PA

Dear Eric,
Thank you for your support and enthusiasm regarding our models. I know you had to do a lot of traveling to see our girls since you live in PA. I am very proud of our models. The Gent family is comprised of beautiful, busty women who are excited about being "Gent girls". I am looking forward to seeing you at our next event.

RHIANNON INSPIRES

Dear Rhiannon,
I remember reading a bathroom experience you had. It was with your pictorial in GENT June 2006. It was the issue with Harley Raine on the cover. I thought it was so hot that I would share my public place experience with you. I was dating this chesty girl and we had sex everywhere and any time we could. She really liked public places and I didn't care. She was absolutely fantastic. One time we were out cruising and stopped at a local convenience store to get some soda. She looked at me before we got in the store and told me to follow her to the restroom. She went in while I went and looked at the sodas and stuff. After waiting for what seemed like too long, I went looking for her. When I went into the restroom, she was already nude. I quickly kissed her and started sucking on her nipples. She was moaning as I licked my way down her body and drove my tongue into her hot pussy. She was wobbling on her feet as she quickly came while trying to stifle her moans. I stood up and she immediately went to my crotch, lowered my zipper and took my cock in her mouth. She sucked on me for a while, stopped and put her leg up on the sink telling me to fuck her. I slid my cock into her and on the first thrust was balls-deep. We fucked like that for about 15 minutes. She then told me she wanted me in her ass. We'd never done this in public before, but I was game. I got some of her cunt-juice and lubed her up and easily slid my cock into her back door. Once I got in, I fucked her hard. She was moaning and gasping with every thrust. Just after I came deep in her ass, there was a knock at the door. "WHAT'S GOING ON IN THERE?" someone shouted. She yelled, "Nothing. I am just about done." We cleaned ourselves up and I left the restroom first. Five minutes later she came out, wearing nothing but her coat hanging open. I paid for our sodas and got a discount, cuz the guy couldn't believe his eyes...
Sam Greason Flint, MI

Dear Sam,
I am glad I could be an inspiration for you. Apparently, it does not appear as though you really need my help to act upon your sexual instincts. I absolutely loved your story. I think a large part of the reason why couples grow bored with their sex lives is because they don't take chances. We have a tendency to get caught up in routine and monotony because of daily demands. And even still, no matter how great a good thing can be, eventually it can become redundant and old if we do not breath new life into it. I highly recommend new sexual experiences as long as both people are in agreement.
Keep em' cummin,
Rhiannon

AMBER FOXXX IS OUR RESIDENT BIG-TIT ABOUT TOWN. SHE HAS NEVER MET A COCK SHE WON'T SUCK OR A PUSSY SHE WON'T LICK.

Foxxx on the Run

SHE IS A TRUE "NO HOLES BARRED" GIRL WHO LIVES FOR SEX. ALL HER DIRTY LITTLE SECRETS ARE X-POSED FOR YOU RIGHT HERE, EACH MONTH.

PHOTOS BY BIG DICK JOHNSON

When I went to go to the Adult Entertainment Expo (AEE) in Las Vegas this year, I decided I was on a mission to find the biggest cock to fuck! I looked high and low all across the Internet until I came across a site I had never seen before. When I opened up www.brandonlongwood.com, I knew I had found what I was looking for! I read that Brandon was coming to Vegas, and drooled in anticipation as I typed out an e-mail asking him if he would be interested in fucking me for Gent! I waited in front of my computer, checking my e-mail what seemed like every 30 seconds, until I saw that little "You've Got Mail" notice come up! I was breathing heavy as I clicked that button, and almost slipped right out of my chair as the juices gushed when I saw the simple answer - YES!!!

We exchanged a few more e-mails and by the time I hit the Expo I was ready to go! I spent the entire first day signing autographs, and after 8 hours in heels, I was ready for my legs to be up in the air. I gave Brandon a call as soon as I was done, and he came right to my room. I had invited my girlfriend Lana (www.thedenofdebauchery.com) over to watch me get nailed by what looked like was going to be the biggest cock I had ever had jammed up my cunt!

As soon as Brandon walked through the door, I dropped to my knees - I just had to see that monster cock that I had been masturbating to for the past few weeks. He was all ready to go, and his member was even more impressive than it had been on my computer screen at home! I gasped in amazement

as I wrapped both my hands around his cock and there was still room for my mouth to wrap around the fat mushroom head!

I led Brandon to my bed, and slid that slab of sausage between my massive tits, and for the first time in my life my mammoth melons did not completely engulf a cock! I now knew that this was an undertaking that I might not be able to handle alone, so I invited Lana to join me. Lana looks like a cute little angel, but she is a wild beast once the tits, pussy and cock come out, which makes her one of my favorite playmates! We both took a grip on Brandon's long wood, and took turns taking as much as we could down our throats. I think I was able to take just a little bit more, but my eyes were watering too much from gagging down his fuck stick to really be able to see.

Lana decided that she wanted to see me mount Brandon first, so I gladly climbed up over him and slowly eased my aching pussy down as far as I could. I kept going down, down, down, expecting each inch to be the last, but it just kept going! Finally I could not take another inch. For the first time in my life, my pussy was full! I rode up and down, with Brandon's cock bottoming out with each stroke.

I screamed in a combination of pain and ecstasy as my puffy cunt lips engulfed his huge trunk! My legs finally gave out from the orgasms that were convulsing through my entire body. I fell forward, my eyes glazed over with pleasure. As I was recovering, I noticed Lana had crawled next to Brandon with her ample ass in the air, and was begging to be filled herself!

Brandon, of course was happy to give Lana a turn, and jumped up right behind her to give her pussy

a chance to be punished. He slipped his cock into her lubed up cunt and began to pound as deeply as she physically could handle! Lana's face contorted with extreme delight as he drove deeper and deeper. He must have been hitting bottom with each stroke because she instinctively started to crawl forward to prevent her insides from getting all bruised up from his relentless pounding! Brandon kept hard at work on Lana's cunt, and I finally was able to join in the fun again, sucking on her nipples and playing with her clit while getting to watch her creamy white skin against his fat black cock. I knew he was getting close to blowing his load, so I lay down and invited him back to where he started, with his monster member between my mammoth melons! Brandon pulled out of Lana's well-used twat as her lips reluctantly released the pleasure she had been getting.

He slipped his cock, glistening with pussy juice, in between my tits and started fucking them with abandon. He shoved the fat head into my mouth with each stroke, and within seconds he was blowing his load all over my tits and face. Lana lean over me and licked the cum off my face. She gave me a big sweet and salty kiss, and drooled Brandon's juices down my throat!

This year's AEE and AVN's were certainly memorable, and I have many more stories to tell. I can't wait to share them with you, so stay tuned! I have one thing to say... mission accomplished!!! Keep on cumming!!!

SUSHI ANYONE?

SOME OF THE GENT CREW. ALICAI DIMARCO, ADARA, MIA STARR, RHIANNON, ANTON FURY, HARMONY BLISS & REYNA.

22591

I just got home from the AVN Adult Entertainment Expo in Las Vegas. What a party! If you have never had the opportunity to go to this event, try to get there at least once before you die. It is nothing but a non-stop party. Anton doesn't even try to book shoots any more during the AEE, because nobody is in any condition to work.

I arrived in Vegas Wednesday afternoon. After checking in, I made my way over to the Sands Expo Center, picked up my badge and headed for the show floor. Gent had a booth with AI News where many of your favorite busty models were signing, including Mia Starr, Reyna, Harmony Bliss, Minka, Cleopatra, Amber FoXXX, Alicia DiMarco, Crystal, Devyn Devine, Angelique Morgan, Sunny Day, Nikki Jackson, Anita Blue, Bailey O'Dare, Keisha and a few others. The fans kept coming in droves as the girls took pictures and signed autographs.

That evening I ended up at the Circle Bar, in the middle of the casino, at the Venetian, where I ran into my good friend Adara Michaels. Well, that was it; the party was definitely on. The Circle Bar is where everyone congregates. You always run into somebody you know.

The first one to come up to say "hello" was Taylor Wayne, looking sexy as ever. I turned around and there was Evan Sienfeld from Biohazard, Oz and Super Group. I hadn't seen these guys in a while, so it was nice to catch up.

I figured it'd be best to pace myself, so about 4am I went to my room, to get some sleep.

The next day, I got to the AEE about noon and had to practically fight my way through the throngs of fans just to get to the entrance. Every 10 feet, I was asked for a picture that led to 50. I'd go another 10 feet and start again. I love my fans and

they're the reason I come to these events in the first place. I always try to make each person feel special. People who approach me thinking I'm some kind of "freak show" walk away with a totally different opinion after they've had the opportunity to speak with me. You can rarely judge a book by its cover.

I hooked up with Summer Haze, Craig Valentine, Alicia DiMarco, and Anton for dinner and then after a quick nap and a change of clothes, it was back to the Circle Bar.

The first gorgeous face I see is Exotica. One of hottest girl/girl shoots I ever did was with her. I'll tell you guys a little secret; I wasn't acting. I finally got the opportunity to talk with Puma Suede for a few minutes about shooting for Gent. You'll be seeing her very soon. More drinks, more faces and then off to bed for a few hours sleep, before doing it all again on Friday.

By the time I crawled into bed Friday night, it was actually 8:30 Saturday morning. I got a brief 4 hours sleep and barely made it over to AEE for one last meet with the fans. Gent was co-hosting a party at 11pm, so when the show closed at 5pm, I headed back to my suite to squeeze in a few more hours sleep.

By the time I arrived at the party at 11:30, it was in full swing, with people packed in shoulder to shoulder. Minka was the first one I saw, and she looked incredible dressed all in black with her legendary tits looking bigger than ever.

There was a go-go pole set up in the middle of the room that was constantly being utilized by the likes of Elektra, Buxom Candy, Anita Blue, Bailey O'Dare for both dancing and hot girl/girl action. The food table in the corner was a nubile young thing covered in sushi.

A St. Andrews cross was on one end of the room where moans of girls being whipped

could barely be heard over the pumping of the loud music. Mistress Heather and her partner in crime Astria always keep the fetish ball rolling. They drifted between the main room and one of the bedrooms doing what they do best; putting on some wild kinky little scenes. Astria spent a good deal of time wearing a big pink strap-on which always seemed to end up pounding some hot honey's hole.

These parties are not the kind where people just stand around nursing a drink. They come to play and play they do. There were groups in the bedroom's having delicious sex of all types. The tub in the bathroom was constantly filled with some sort of decedent behavior. And one of the bedrooms was set up as a photo studio.

After a few hours, I needed to take a break from the madness, so Anton and I moved across the hall to the VIP suite. Ron Jeremy and Dennis Hof, of the Bunny Ranch, had set up camp there. We brought Adara, Michaels, Alicia DiMarco, Crystal and Harmony Bliss with us. Ron was his usual accommodating self, taking pictures with all the girls. He then sat down at a grand piano sitting in the corner and proceeded to dazzle us all with his musical prowess, playing a selection of classical music. It was an unexpected ending to top off a great night. Who knew? I wonder if he can play with his dick.

Others at the party included, Deuxma, Porche, Bibbete, Amber FoXXX, Steve Nelson from AI News, Mia Starr, Summer Leigh, Elizabeth Starr and Don Wailt of Exotic Dancer magazine.

We are already working on next year's party and planning on making it bigger and better than ever. Hope to see you there.

CONFESSIONS

Of A Big-Tit Slut!

FEATURING SARA JAY

The Adult Entertainment Expo (a.k.a AVN) is always a blast!! This year was no exception!! I signed for Bang Productions during the day at the convention and managed to squeeze in a couple shoots after each of my long days on the convention floor! One of these shoots I did with my friend from Washington DC, Brandon Longwood.

Brandon met me at the location with a smile and open arms. There were quite a few people in the house getting ready to shoot an orgy scene. Brandon and I chatted a bit and eagerly awaited the scene to start. I slipped in to a sexy hot pink teddy and black heels. I could barely keep my hands off of him, just waiting for the camera to roll. He is so deceptive with his tender smile. I have had sex with Brandon before and he looked so sweet and gentle, but once he slid his long dick into me he nailed me to the wall!! I expected this sexapade to live up to the prior.

I started rubbing his cock through his shorts and felt it growing quite hard. I pulled down his zipper and pulled all of his meaty cock out of his pants. I drooled on it and then I led him to the bed. He lay down and I wrapped my lips around his log. I love sucking cock! I had my hands and my mouth going up and down on his big meat when he pulled me over on top of him for a 69. He licked and nibbled on my wet pussy like it was dinner! I couldn't take it any more and had to have some of that giant cock.

I crawled over on to my hands and knees with my ass high in the air. He got behind me and put his cock in me. I could slowly feel every inch of his dick being reintroduced to my wet cunny. After a few slow strokes he began pounding my puss with a vengeance! I could feel my ass creep up over my back with each thrust. He put all his weight on my back and drove himself into me. It was time for me to mount this beast of a cock. I squatted over his dick with my big ass in his view. I bounced up and down on it like it was a spring. I pounded all of my flesh against him and over and over again. I could feel my pussy getting so wet. I leaned forward and felt his cock hit my spot. I was so turned on! I grabbed his ankles and bounced my ass harder and harder on his rod. I was starting to sweat and slowed it down

for some nice long strokes on his dick. Every nerve in my body was standing at attention. I spun around and began grinding on his dick. He grabbed my tits and we locked eyes. I scooted back and forth and up and down on his dick until I was ready to burst!!! The walls of my pussy contracted and grabbed his meat. I had a quick orgasm that sent goose bumps all over me. After I came my pussy opened up like the ocean and I rolled over onto my back to take more of this chocolate stick. My ankles were by my ears when he began drilling. He was drilling for cum and he was about to get it. I rubbed my clitty vigorously as he injected me. I could feel my cunt swell around him and he pulled out as I squirted a short stream of pussy juice. I was shaken! I wrapped my legs around his neck and let Brandon plow into my wet pussy. I was exhausted from my release and I was ready for his. He worked my twat for his nut, doing cock push-ups in me. I could feel him getting bigger and harder with each stroke. He pulled himself out of me and shot his load all over my titties. I was thrilled; I just love the way a hot cum shot looks laid across my boobs. The two of us were exhausted with giant grins on our faces!!

Just when I thought it was time to go home we went downstairs and the other scene was in full swing!! I had to watch it – it was just too hot! So Brandon and I sat and watched this orgy that was taking place right before our eyes. There was one girl on the couch and one on the pool table and 4 guys tag-teaming both of them. Both of the ladies were hot and really into fucking. I love watching sexy women who love to get screwed getting exactly what they want. I looked over at Brandon and he was as mesmerized by the scene as myself. Just then I heard the girl on the pool table let out a moan that signaled she was about to cum. Then a stream of squirt shot out of her pussy like 5 feet!! She just kept cumming!!! Even though Brandon had just made me squirt and I was almost out the door - I was getting really hot and was ready to jump right in and lend a hand. I had to restrain myself. I ran out of house drained, but yet still insatiable.

GENT® BOOB TUBE

FETISH FAIRY TALES VOL.2

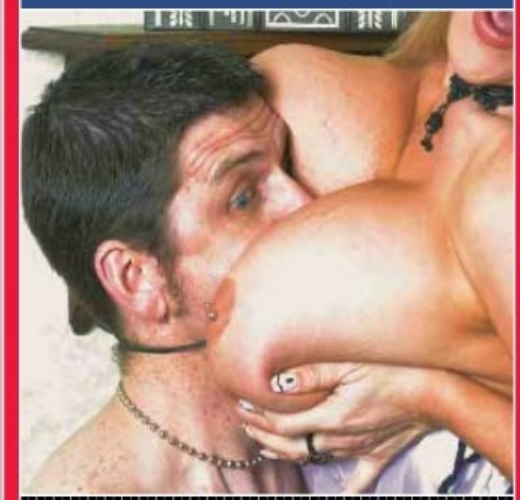
22589

STARRING: Summer Cumming, Kandi Cox, Taylor St. Claire and Dahlia Dark

RUNNING TIME: 145 min.
AVAILABLE FROM: Starr Productions - StarrProductions.biz

DDD-CUP: Smokin' Hot DD-CUP: Serves your cock well
D-CUP: Don't even bother

Summer Cummings and Starr Productions have done it again. What they've created with big boob XXX, they have now done with fetish. Nobody in porn or kinkdom have quite the same quirky view of erotica... or fairy tales, for that matter. Summer Cumming's Fetish Fairy Tales follows the Cinderella story, except for the extreme bustlines. Summer plays Summerella, the poor waif who is abused by her evil stepsister played by Kandi Cox. Each successive scene features big boob fetish at it's finest. Of course the theme that ties it all together are the huge tits of Summer, Candy, Taylor St. Claire and Dahlia Dark. In one of the wildest scenes the Prince comes to try the missing shoe on Dahlia Dark. Not matter how she tries, she's unable to stuff her foot in. As the Prince turns to go, he is quickly overpowered and tied to the bed. Ms. Dark proceeds to cover him in clothespins, as he writhes in pain. All she does is laugh and shake her extreme rack. If you're looking for 4 hot babes with great big boobies, this is the place to find them. While there is no sex, the boob-power alone is worth the price of admission. Rating: DD-cup



BIG BOOBS 3

STARRING: Rebecca Love, Chevon Taylor, Kate Frost, Jennifer Steel and Chloe Knight

DIRECTED BY: Michael Bushler RUNNING TIME: 180 min.
AVAILABLE FROM: Starr Productions - FYAIndependent.com

DDD-CUP: Smokin' Hot DD-CUP: Serves your cock well
D-CUP: Don't even bother

"BIG BOOBS 3 The Hard Way," unspools on the raven red-headed Rebecca Love with her man-eating manner, intense dark-eyed stare and fleshy boobs. Sex oozes from Rebecca's every pore as she uses her tits in every possible way. Her epic tonguing of Reno's peehole before going down on him is a rarity. Then it's full-tilt titplay throughout, all punctuated by Rebecca's throaty moans. Fresh and sweetly sexy at first sight, Chevon's body is a luscious, lickable landscape of flesh and her tawny complexion is topped off by the most delightful, naturally swaying melons ever photographed. She loves being fingered and when Anthony unveils his thick stem she's on it immediately. Chevon ritualistically worships his cock and turns her cleavage into a penis passage before he goes to work licking and finger-fucking her wet cavern. Kate Frost & Jennifer Steel trade stories about their turn-ons and soon the two are locked in one of the hottest girl-girl scenes ever filmed. Comparing physical techniques, they try them out, but soon turn each other on with words and deeds. Their sexy, teasing banter along with their tit-to-tit boob play is a reminder why both men and women relish this footage. The tantalizing interplay, dialog and chemistry has to be experienced to be believed. Lots of saliva and boobplay follow as they make love to each other, while inviting the viewer to join this ultimate tit freak turn-on. Chloe Knight's fresh-face look, combined with a set of epic globes, glorious tattoos, a savage mane of hair, alluring feline eyes and ruby red lips are a stand-alone turn-on. The lucky guy here is Alex and she wastes no time searching for his prong. Finding it, her dark eyes drink in its veiny landscape as her mouth pants over its length before gobbling it up. Then using it as a toy, she trails the tip across her nipples, finally shoving it between the hollows of her boobs. We're then treated to a delightful spectacle of Chloe's magnificent heaving hooters as Alex pounds her every which way before showering her face and boobs with a spermy pearl necklace. This is titty-fucking at it's best. If you are a true boob lover then this DVD will be sure to give you hours of stroking pleasure." Rating: DDD-cup

THE NEWS RACK

ALL THE NEWS WITH TITS

AVN ADULT ENTERTAINMENT EXPO

The AVN AEE was a blast! I MUST thank Gent Magazine for sharing my booth! Girls like Crystal Thai, Alicia DiMarco, Harmony Bliss, Amber Foxxx, Reyna, Sunny Day and Mia Starr were there as well as Keisha, Cara Lott, Angelique Morgan, Cleopatra of the Nile, Demi Marx and others to make the Adult Industry News booth top heavy with tits! These fine people helped me promote my new project StripClubSecurity Cam.com premiering at the Expo.

Keisha was my shining star and at one point gave me a great lapdance for the crowd. I've got to get her to do a lapdance for me - in private! I'm going to put new pictures up on MySpace of all the mischief she and the other girls created.

Cara Lott kept deep-throating a dildo for the crowd that gathered. Between that and the lapdance she gave me I wanted to see how far she could choke down a REAL dick. I got my wish at Dr Susan Block's Eros Day party when Cara decided it would be fun to blow me in a room full of people!

As you can probably guess, the mock-up of a real lapdance booth was a hit! All the girls wanted to pull the curtain closed and do naughty things! You can see footage from real strip clubs at StripClubSecurityCam.com

Above all, a special thank you to Mistress Rhiannon and Anton Fury for helping make my first year as an AEE exhibitor a good one - and the Gent after-party was the best one I attended the whole week in Las Vegas! Look for the pictures that would get me kicked off of MySpace in an upcoming issue of Gent.

MONI MICHAELS

While surfing around MySpace and xPeeps I ran across an incredibly beautiful rack belonging to a babe named Moni Michaels (pronounced "Mah-nee"). I got in touch with her and she was happy to set aside a time to meet and get buck-naked for me.

Moni is represented by Exotic Star Models non-exclusively. You can book her through them, or directly through her email at Moni@MoniMichaels.com. She is focusing more on her website, MoniMichaels.com, and making her own videos at the moment but she will shoot for any quality project. She's also looking to appear at events and signings.

These days she is just doing girl/girl but will do a little more on her site like have a girl over and help a guy fuck the girl but doesn't do the guy.

I asked her how she got into the biz and she tells me she wanted to fight for Felony Fights, a funny yet extremely violent video producer. They were looking for chicks to fight at the time but they said she couldn't fight because she was too pretty. She was disappointed that she wouldn't get to beat the shit out of anybody, so she became their spokes model instead. Felony Fights has a clothing line called "Felony Girl".

As spokesmodel she was the "nurse" for Felony but apparently that wasn't good enough for her so she got a boob job and then they finally put her in front of the camera. Since all the non-fighters were pornstars, she didn't think it was fair that she didn't do porn, so she asked Randi Wright to help her get into the biz.

Moni has been a house dancer for 4 1/2 years at Ecstasy in Santa Ana, (at Warner and Fairview, 2920 W Warner, she works the day shift Wednesday, Thursday and Fridays 11am-6pm), so she offered to show Randi some pole tricks on a stripper pole.

Moni went over to Randi's house just to hang out, says they got fucked up and while they were on Randi's pole Randi said "fuck this" and started eating Moni's pussy. Moni says she wanted to fuck Randi anyway so it sounded like a fitting introduction into the world of porn. Moni says, "I like girls, so I might as well get paid for it!" There's footage of Moni's first time with Randi on Moni's site.

Recently she has been shooting a lot. She just finished filming a movie for Vivid, "Stood Up"; for Penthouse, "Out of Control"; is doing her second Hustler shoot, plus a Michael Ninn Xmas movie called "Silent Christmas".

I asked her how long she wanted to stay in the adult industry and she gave me a "deer-in-the-headlights" kind of stare. Having never been asked this before, she says for her, porn is not a lifetime commitment, "When I'm done, I'm done." Moni takes life as it comes. She's just rolling with it and has no long-term plans. She is currently hosting parties like Johnny Barraco's Pornutopia in Rancho Cucamonga She is promoting "Porn Star Punchout", a pay-per-view movie that she did where a bunch of girls in the adult industry box each other. Ron Jeremy is the referee in the movie. It will air the first week of March on various pay-per-view channels. Moni Michaels is a sweet, innocent girl next door type - who likes to fight, is into fetish and bondage, likes to be tied up and beaten, choked, dominated and abused... but most of all, has a great rack!

TIT BITS!

Devon Lee was signing at Private Dancer Magazine's booth Just down from us at the AEE. I had to go over and congratulate her and Marcus London for getting married. Don't worry, both of them will continue to work with others... and she does a hell of a hot scene!

If you ever get a chance to drop by Sherry's Cabaret in Las Vegas look for a girl named Pricilla. She has the most beautifully shaped tits I've seen in years! You know the kind - full, meaty, puffy at the nipple, soft and giggly... This girl is a wet dream waiting to happen! She was riding an mechanical bull in the club. If the club had let me get a model release from her, I would have shown you the best ever rack to ride - and that's NO BULL!

I saw the pornstar Friday at a party in L. A. She was giving a topless lapdance to one of the promoters when I walked by. She still has an awesome rack and is running her own retail store. She says she's still doing scenes so I'm going to check it out get back to you.

Thanks for reading! If you want more detail on any of these stories read it on Adult Industry News at AINews.com. If you want to see the pictures (like ones of Angelique Morgan fucking me in a strip club lapdance booth) look for the next issue of Gent, the best big bust magazine on the rack! That's it for this issue from Steve Nelson on The News Rack. Write Steve at: Editor@AINews.com subject: "Gent Column", or at www.MySpace.com/AINews and tell him who's rack you want to see featured in The News Rack.
